

KP GLOBAL SHIPPING

Comprehensive Marine Service

2024

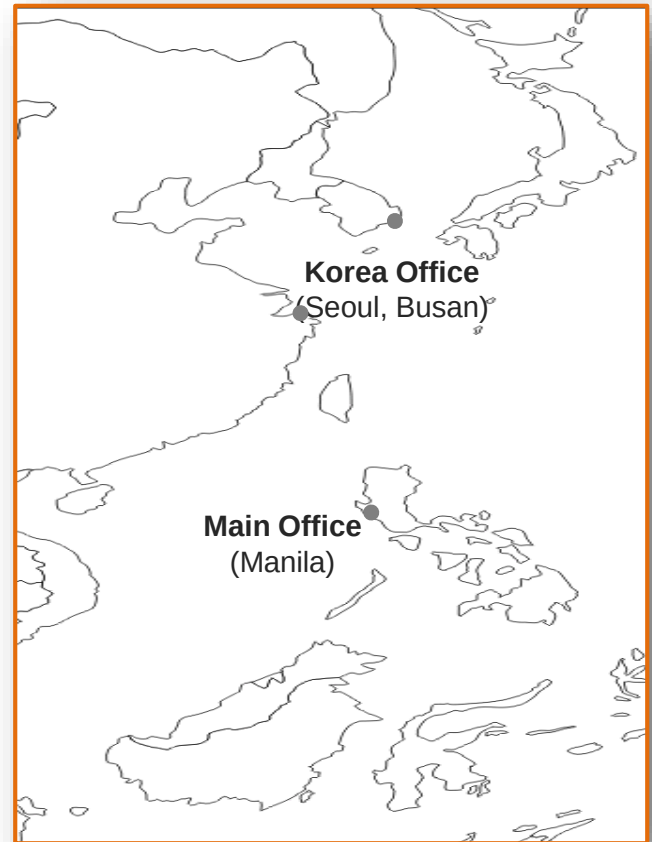

Protect & Serve Principal's Interest

We manage all matters that affects vessel operation.

We provide most prompt and optimal services for ship repairs and supplies.

We provide accurate and up-to-date information.

Key Factors of the Service

Quick and accurate response

- Immediate response to port & cargo information
- Reporting progress ahead of the Principal's expectation

24-hour onboard service

- 24-hour onboard supervision for comprehensive process management
- Intensive focus on core issues

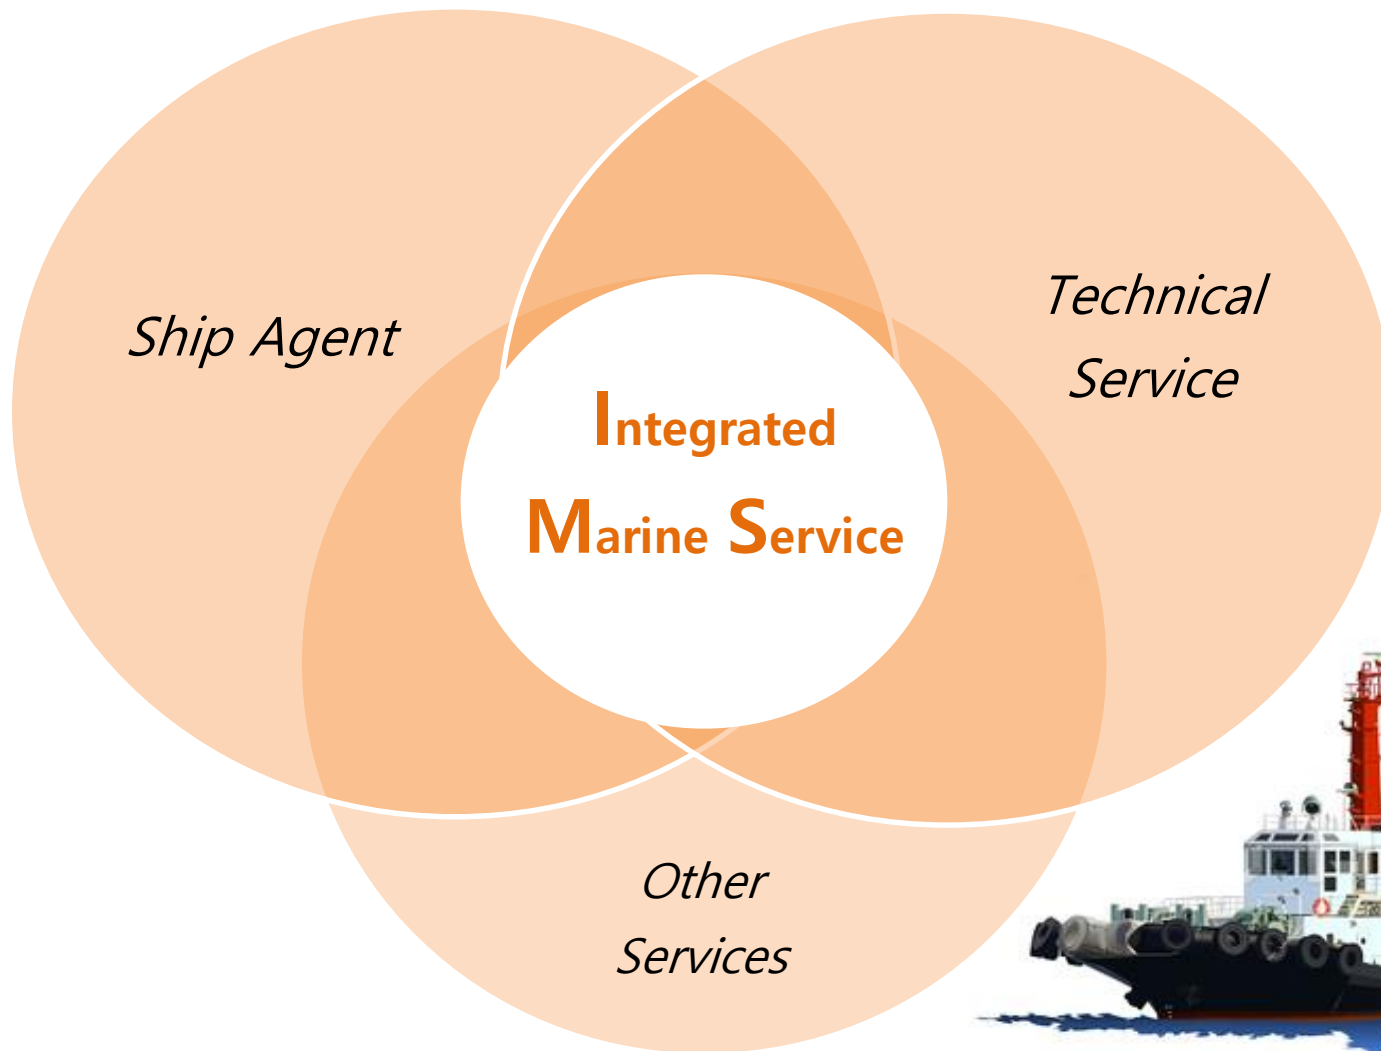

Obtain shortest possible stay in the port

- Close collaboration with relevant port authorities and companies
- Close attention to prevent any accident so as not to be delayed in port stay

Optimized technical service

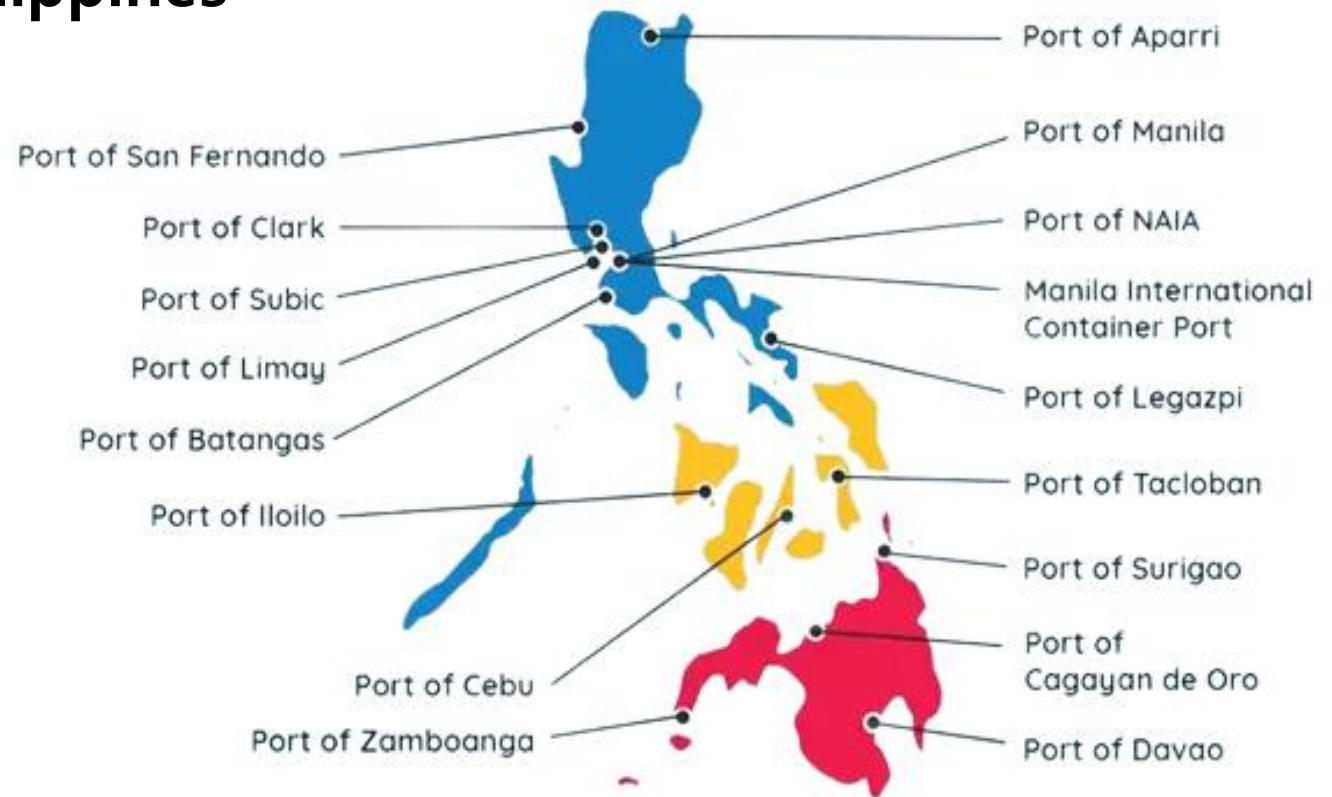

- Providing optimal field service and offering best alternatives
- Justification and management by experienced Korean manager.
